D. C. ORGANIZATION MAY AID ROAD WORK

Edward Duncan of Board of
Supervisors of Alexan-
dria County Notified

APPOINT A COMMITTEE

Alexandria Chamber of Commerce Al-
so May Help in Completing Alex-
andria-Washington Highway.

Edward Duncan, of the board of
supervisors of Alexandria county,
has received a letter from the
Washington Chamber of Commerce
regarding the roadway under con-
struction between this city and
Washington which was presented to
the Washington Chamber of Com-
merce at their last regular monthly
meeting.

In the letter which is signed by
A. E. Seymour, secretary, it is sta-
ted that the board authorized the
president to appoint a committee
of twenty-five members to take up
this matter, thoroughly investigate
the situation and report to the
board.

It also was stated that the com-
mittee be made up as largely as
possible from business men who
have more or less interest in the
completion of this roadway from
the fact that they use it in the
transportation of goods of various
kinds.

Mr. Duncan is assured that he
will be advised of any action taken
by the committee or board of direc-
tors.

The Alexandria Chamber of Com-
merce also has been asked to assist
in the completion of this roadway
now in course of construction.

All but 17 miles has been com-
pleted. In its letter to the Alexan-
dria Chamber of Commerce recently
the county authorities stated that
the county funds were limited and
that unless funds were augmented
by contributions from firms or cor-
porations who are extensively using
this highway, it would be impossible
for the county of Alexandria to
continue the improvement. The
road is on the Alexandria-Washing-
ton turnpike from the north en-
trance to the property formerly be-
longing to the New Washington
Brick Company and extends to Four
Mile Run power house.

The Alexandria Chamber of Com-
merce requested Capt. George H.
Evans, business manager, to com-
municate with firms using trucks
over the road and solicit contribu-
tions for completing the highway.

LIBEL CHARGE

Norfolk Newspaper Man is Accused
By Policeman.

Norfolk, Va., Sept. 15.—Charged
with libel, Gillette Lane, 32 years old
a native of Minnesota, was arrested
on a warrant sworn out by Policeman
W. O. Jones. He furnished a cash
bond and was released.

The warrant recites "that Lane on
August 29 and September 5 unlaw-
fully, maliciously and contriving and
intending to blacken the reputation of
W. O. Jones, a police officer of the
city of Norfolk, did write, print and
publish in the Virginian Independent
certain false and scandalous malicious
and defamatory libels of and concern-
ing the said officer, and represented
him as a corrupt and criminal officer."

The warrant relates the case involv-
ing the police officer and a young wo-
man named Lillian Wilson, whom the
officer assisted in arresting in Nor-
folk county in August. Miss Wilson
brought a charge of criminal assault
against officer Jones, but he was ac-
quitted after a hearing.

The annual meeting of the stock-
holders and directors of the Harris
& Shaffer Co., will be held at the of-
fice of Mr. Gardner L. Boothe, Alexan-
dria National Bank Building, Alexan-
dria, Virginia, on Thursday, Sep-

THREE KILLED IN WRECK

Millionaire, Little Girl and Nurse
Killed on Way to Join Wife
And Mother.

Crisfield, Md., Sept. 15.—Edward
McCready, a Chicago millionaire,
and his 8 year old daughter, Susan-
ne, were instantly killed and the
latter's nurse was so badly injured
that she died soon afterward in the
hospital when the McCready auto-
mobile was hit by an express train
from Philadelphia and hurled
against a freight car at a crossing
at Westover yesterday morning.

The party had started in the high
powered car for Atlantic City to
join Mrs. McCready, who had gone
there a few days ago.

So great was the impact of the
collision that every step on the
passenger coaches was torn off. Mr.
McCready, who was driving, was
carried on the engine pilot to West-
over station. Both his legs were
broken and he had internal injuries
which caused death instantly. The
nurse and little girl, who occupied
the tonneau seat were thrown out
200 feet from the crossing. The
little girl was dead when picked up,
but the nurse lived an hour after
her admission to the General Hospi-
tal here. After the wreck an eye
from a doll the little girl carried
was found upon the pilot of the en-
gine.

COMMUNITY SING

Last For Season Will be Given Thurs-
day Night in Christ Church
Yard.

The last community sing of the sea-
son will be given Thursday evening in
Christ Church yard. Home talent will
contribute the music and instrumental
numbers will be given by the Clarendon
Band, formerly the Indian Guard
and Clarendon Bands which recently
consolidated.

A song leader will be in charge of
the singing.

Such a n important factor is com-
munity singing is the eyes of the gov-
ernment that under the War Depart-
ment official song leaders are retained
for purpose of conducting sings
once a week for their employees and
one of the largest department stores
in Washington has obtained from the
War Department permission to have
one of the song leaders, once a week
conduct a sing for the employees of
the store.

The first community sing given in
Alexandria was in April, 1918 by
Kenneth W. Clark who being an im-
imate friend of Mr. Postick was large-
ly responsible for promoting the sing
of the army.

Under the auspices of the Cameron
Club the first sing was given at
Christ Church Parish Hall. Then fol-
lowed a series of songs conducted by
Gordon Reese who, with the famous
band from Quantico, firmly implanted
the desire in Alexandria for com-
munity sings. Since then Mr. Van
Wie of the War Camp Community
Service Club has gladly furnished the
song leaders and Alexandria has had
many delightful song fests during
the summer months.

STEAMER GOES DOWN IN GALE

Fifteen Members of Crew Succeeded in
Reaching St Catherine's Island
After Hard Fight

Savannah, Ga., Sept. 15.—The
steamer Barnstable, sailing from
Savannah for Havana, on Friday,
went down at sea in a northeast
gale on the coast of Georgia Satur-
day night. Twelve of the crew,
including Captain Moon, are missing.
Fifteen of the crew, after an all-
night battle in the rough seas, suc-
ceeded in reaching St. Catherine's
Island yesterday.

The Barnstable sprung a leak at
about 5:30 Saturday afternoon and
it was abandoned at 10 o'clock that
night.

while at King and Henry streets.
The soldier escaped and Donaldson
was taken to the Alexandria Hospi-
tal and treated by Dr. Llewellyn
Powell. His injuries are not seri-
ous. A soldier who was with the
soldier who did the stabbing was
taken into custody by policemen and
detained as a witness. The Alexan-
dria police will endeavor to ascer-
tain the whereabouts of the assail-
ant and bring him to this city.

LYNCHES TWO MEXICANS

Pueblo, Colo., Sept. 15.—At 9:38
p. m., Saturday night a mob of 200
citizens held up the jailer of the
city jail, removed therefrom Santos
Ortiz and Jose Gonzales, Mexican
murderers, took the cowering men
to the outskirts of the city and
hanged them to a bridge girder.
Ortiz and Gonzales early Satur-
day morning shot and killed Jeff-
erson Evans, aged sixty, a member
of the Public police force, when
the officer attempted to arrest them
after they had made threats of
starting a race riot in the "Pepper
Sauce bottoms," the Mexican and
negro quarter of the city.
The Mexicans had been drinking
"chec" and told railroad men that
they were going to start a race riot
here.

When Evans attempted to make
make the arrest Gonzales fired point
blank and as the officer sank to his
knees Gonzales fired again. The
officer died soon after.

CLARENDONS WIN CHAMPIONSHIP

Contest Ends Yesterday
When They Trim Cardi-
nals by Score of 6 to 4

POOR EXHIBITION

Local Team Exhibited Signs of In-
sufficient Practice—Playing of Dreif-
fus For Home Team Feature.

The Clarendon Athletic Club base-
ball team won the Northern Virginia
Amateur Baseball Championship by
defeating the Cardinal Athletic Club
nine by a 6 to 4 score yesterday.

The game was poorly played and
uninteresting. The Cardinals playing
was ragged, dropping easy flies, slow-
ness in base running, and poor judg-
ment while at bat caused their de-
feat.

The want of practice by the Car-
dinals was shown, and it was the
duty of every player on that team
to have practiced during the past
week, knowing that they had an im-
portant contest for Sunday. One had
on the team was an exception, and
"key" Carl Dreifus was the five
wire whose brilliant all-around play-
ing was the feature of the game.

The playing of the Clarendons was
not of the gold-silver brand, but they
could not lose when the Cardinals
presented the game to them.

"Shorty" Hughes umpired in a fair
and conscientious manner and no
complaint was made by either team
against his decisions.

The Cardinals will now "hang up
the fiddle and the bow and lay down
the shovel and the hoe" for the 1919
baseball season.

VETERAN MIAL DRIVER DEAD.

"Jack" Brown for Twenty Years
Hauled Mail.

John Brown, better known as
"Jack", for more than twenty years
driver of the mail wagon between
the postoffice and the railway station
is dead.

Jack died at the Alexandria Hospi-
tal yesterday afternoon. He had
been in failing health for a long time.
He was 61 years old and unmarried.
Jack was a native of Ohio and so
far as known had no relatives in this
section of the country.

About twenty years ago, when the
old St. Asaph race track was running,
"Jack" came to this section and af-
ter the horses left "Jack" decided to
make Alexandria his home. He ac-
cepted a position with the late James
Patterson as driver of the mail
wagon and had been a steady and
faithful employee. Since the death
of Mr. Patterson he continued in that
capacity with Wilbur Baggett, who
at the present time has the con-
tract.

The body of "Jack" was taken to
Wheatleys chapel and prepared for
burial.

IN MEMORIAM

In loving remembrance of our
dear husband and father, Gustavus
Robey, who entered into heavenly
rest, September 14th, 1918, one year
ago.

Death has robbed me of my loved
one;

Of the ones I loved so well;
Taken from this world of sorrow,

Safely home with Him to dwell.
Gone from earth, yes, gone forever,

Tear-dimmed eyes will gaze in
vain;

I shall hear his voice, oh, never,
Never more on earth again.

Mrs. Mary Robey and family.

TREATY BATTLE OPENED TODAY

Lodge Will Call Measure
Up In The Senate
This Afternoon

TRIAL OF STRENGTH

First Test Likely On League Article
Three on Voting Question Will Dis-
pense With First Reading.

Lines had been drawn by the op-
posing factions, absent Senators for
the most part had returned to Wash-
ington and all was in readiness last
night for the opening today of the
final stage in the Senate peace treaty
and league of nations controversy.

The treaty with its league eye-
nient, tentative plans provide, will be
called up this afternoon by Chair-
man Lodge of the Foreign Relations
Committee, and will be kept contin-
uously before the Senate in "open ex-
ecutive" session until the final vote on
ratification is taken several weeks
hence.

Coincident with the bringing up of
the treaty Senator McCumber, Republi-
cans, North Dakota, who refused to
join his Republican colleagues on the
Foreign Relations Committee in the
reporting of amendments, and
who declined to approve the major-
ity's reservation to article ten, of the
league covenant will file an individ-
ual report.

Because of the enormous length of
the document, the formal "first read-
ing" will be dispensed with and treaty
taken up article by article. This plan
probably will bring an early trial of
strength—possibly today—with the
reaching of Article 3 of the league
covenant, in which he is defined the
voting power of the various powers
in league council and assembly. The
Foreign Relations Committee majori-
ty has recommended an amendment
to the article in the form of a proviso
stipulating that the United States
shall have a vote in the assembly
equal to the aggregate vote of any
nation having self-governing colo-
nies and dominions, also members of
the league.

CONSTITUTION DAY.

Gov. Davis Asks that Day Be Ob-
served Wednesday.

To the People of Virginia:
On Wednesday, September 17, 1919,
will be celebrated the one hundred
and thirty-second anniversary of the
signing of the Constitution of the
United States of America, and it is
especially fitting that the people of
Virginia should properly observe this
day as "Constitution Day" through-
out the Commonwealth.

Under the auspices of the National
Security League, a nation-wide ob-
servance of "Constitution Day" is
planned, which has been endorsed by
the Virginia State Bar Association,
and I earnestly urge the people of
Virginia to observe and honor this
day. Especially do I ask that in all
the schools of Virginia on this day
fitting patriotic exercises be held to
commemorate the formation of the
Constitution which was drawn to in-
tecity to provide for the common de-
fense national unity, to establish jus-
tice, and for the protection of life
and property, to promote the general
welfare and to secure for our citi-
zens the blessing of liberty.

The Americanism of the Constitu-
tion alone is the foundations upon
which the patriotism of our citizenry
should be grounded, and I heartily
approve of the observance
of Wednesday, September 17, 1919,
as "Constitution Day" in Virginia.

LETTER OF SYMPATHY

Alexandria Mother Receives Words
of Condolence From Chaplain
of A. E. F.

Mrs. Isabella Cook, mother of Pri-
vate Thomas Cook, who was drown-
ed in France on the 24th day of last
February, has received the following
from Albert L. Evans, a senior chap-
lain of the American Expeditionary
Force.

Hq. G.I.S.D., Gievres, France,
August 29, 1919.

Mrs. Isabella Cook,
1112 Queen Street,
Alexandria, Va.,
Dear Mrs. Cook:

It was my sad duty and privilege
to conduct the funeral ceremonies
over the body of your son which was
recovered from the Saultre River
August 27th, 1919, and who was
drowned February 24, 1919. Doubtless
you received the notice of his death
accidentally in due time, and I am
glad to inform you now that the
body has been found and given a
burial with military honors.

Private Thos. W. Cook (1821216),
35th Co., Transportation Corps, 15th
Grand Division, was buried in the
A. E. F. Cemetery No. 331, Gievres,
France, in Grave Number 1631, on
August 28th, 1919. His grave will
be marked with a permanent white
cross with his name, rank, organiza-
tion, and date of death upon it. The
Cemetery is very carefully looked
after by the American Government,
and may be visited at any time by
any one wishing to see it. In du-
time pictures will be taken of all
the graves and copies of the same
may be obtained from the War De-
partment at Washington.

I want you to know how deeply I
sympathize with you in your sorrow
and I rejoice with you in the recov-
ery of the body, which of course is
more satisfactory than to never
know where it went to. It seems
strange that the water held it be-
neath its surface so long, but this
river is very swift in the rain
season and has a deep channel in
places filled with bush and weed-
which might easily hold the bod-
lodged in them for months.

His death was purely accidental and
I was fully investigated at the time
I have just read the proceedings
of the Board which are on file in
these headquarters. The boys com-
pany has left here some time ago
of course, and there are not many
Americans here now. We all hope
to move soon. But the dead will
remain behind and the cemetery will
be taken care of by a caretaker in the
employ of the U. S. A. May you
find all comfort in Him who is able
to comfort us in times of sorrow
and give us the immortal hope that
those we have lost long since awhile
we may meet on the other shore
where there is no more sorrow and
war and suffering. May God, the
good Father, bless you richly on
of the abundance of his grace at
this time.

Albert L. Evans,
Senior Chaplain.

TORPEDO BOAT DESTROYER

The arrival at this port Saturday afternoon of the torpedo boat destroyer "100" and her docking at the pier of the torpedo factory, between King and Cameron streets, was an interesting event to the people of our city. Almost as soon as the destroyer had been made fast people began to flock to the river front for the purpose of inspecting this formidable craft. Heretofore Alexandrians have viewed such specimens of naval architecture from a distance, or as they passed up or down the river. Hundreds of people visited the wharf at the foot of Cameron street all day yesterday from which point obtained a good view of the destroyer.

It is one of the longest ship that ever docked at this port. The boat has four funnels, and is modern in every particular. It can run at a high rate of speed. It is said that the boat will receive a new coat of paint while here.

The dock in which the "100" has been placed has long been neglected. It had filled up considerably in by gone years, but since the erection of the torpedo factory a wharf about as long as one of the city squares running east and west has been constructed and the dock dredged in order to accommodate any vessel which it is necessary to bring to it.

Two score years ago, when Cameron's wharf, foot of Cameron street, was an important part of the pulse of this community, a sort of basin was formed from that pier to the slip of the Maryland fair steamer "Alice Fox" at the foot of Fayette alley. At times numbers of vessels of different sorts were moored at that place, which brought animation to the locality. It has, however, been neglected in modern times, and a steamboat was seldom seen there. Occasionally, however, the steamer "Dennis Simmons," with lumber from Williamstown, N. C. entered this basin. Several years have passed since that steamer visited this port.

The construction of the torped plant factory here will probably reproduce scenes similar to those which had long since passed away.

REMINDER OF OTHER DAYS

Conditions in Boston yesterday were suggestive of the days of the Pilgrim Fathers. For a long time after "Mayflower" landed the self-patriated band on the bleak shore of New England men carried their guns to church, and throughout the services were kept on the alert as they knew the aborigines were likely to make a descent upon the worshippers. In those trying times when painted savages were dancing around log churches, and uttering war whoops, that good old hymn "Come, Thou Almighty King," was sung with a spirit unknown in our day, although it is often of the selections at Sunday services.

A trace of the thrill of Colonial times ran through the "hub" yesterday as the townspeople went to church under the protection of infantry, cavalry and artillery. In the meantime crap games were in progress on the steps of some churches.

Of the 35,000 Serbian children sent with the Serbian army in the 1915 retreat, only 5,000 survived according to figures verified by American Red Cross workers, and forwarded to national headquarters in Washington.

Most of these returned to their homes to find themselves orphans, and the Red Cross is seeking to

aid them by the establishment of orphanages and other institutions.

When the Serbs realized they must evacuate their country to the Teuton and retreat to the coast, boys between the ages of fourteen and eighteen were called to the colors. Patriotic mothers sent even younger sons to war, the report said, and in the hardships, encountered in the mountains death took a heavy toll.

suggestion of President Gompers, of the American Federation of Labor, that they return to work without demanding immediate union recognition, but with out relinquishing any of their claims. It found support in an opinion by Attorney-General Bruce Wyman and a statement by Governor Coolidge. GULF HURRICANE

Sea Wall Saves Galveston From Serious Damage—Wires Are Down

Driving furiously into the Texas coast, principally in the section southwest of Galveston, the tropical hurricane that has skirted the United States coast nearly a week, apparently has swept inland near the Mexican border.

Wire communication was interrupted in most of the affected area, and the extent of the storm's damage could not be learned accurately last night, but there were no reports of fatalities.

Brownsville and Corpus Christi apparently felt the brunt of the storm, which, weather bureau officials believe, has passed into Mexico, where it will be dissipated in the Mexican mountains.

Galveston, where considerable anxiety has been felt, apparently was struck by the edge of the storm area, and the city was saved from any considerable damage by the powerful sea wall, constructed after the 1900 disaster.

Water was reported to a depth of six feet in sections of Corpus Christi, and information received by the weather bureau at San Antonio said the water was three feet deep in the lobby of a Corpus Christi hotel.

BIG FIRE RAGES

More Than 50 Persons Hurt in Conflagration in Long Island City

New York, Sept. 15.—With more than 50 persons injured and the damage already done estimated at from five million to ten million, weary firemen last night still were fighting a threat of further explosions of oil tanks at the fire which practically wiped out the Stone and Fleming Oil Co.'s plant in Long Island City yesterday.

Five tanks of crude oil were burning late yesterday. Should there be a sudden shift of the wind from north to northeast, many additional tanks in plants nearby would be threatened, as well as thousands of tons of coal.

The firemen were working in short shifts. So exhausted had they become that when relieved for a brief rest they lay in the streets near the fire zone and went fast asleep.

The 20 acres of fire swept territory looked like a scene in war-devastated France or Belgium. Tanks were crumpled up, huge steel girders lay in a tangled mass, few walls

were left standing, and burning oil continued to flow along the surface of New Town creek.

Mayor Hylan made two trips to the fire yesterday morning, and once was standing within 150 feet of a tank when it exploded. He was deluged with water and oil, but insisted that he had not been in any danger, and after praising the work of the firemen and police, drove away.

MACHINE GUN AT JAIL

Knoxville Police Prevent Release of 55 Prisoners

Knoxville, Tenn., Sept. 15.—With a machine gun mounted to command every approach armed guards, under Sheriff Cate, stood guard at the county jail Saturday night in anticipation of reported attempts to release 55 prisoners held on charge of assisting prisoners to escape during recent rioting here.

This precaution was taken in view of unsigned letters received by the Sheriff and Judges of the Criminal Court saying a mob would attack the jail at midnight. No mob appeared at that hour, but the guard was maintained throughout the night.

RELIGIOUS STRIKE

Belgrade, Sept. 15.—And now comes the religious strike.

The priests also informed church officials that unless they were granted the right to marry before January they would marry anyway.

DROWNED HIS WIFE

Illinois Man Confesses He Struck And Watched Her Sink Her While Swimming

St. Louis, Sept. 15.—Interrupting his game of solitaire in a cell in the county jail at Pinckneyville, Ill., 60 miles southeast of here, William Porter Wroten told, with not a tremor in his voice, how he had drowned his wife in the presence of their two children so that he might marry Mary Brown, a 16 year old country girl.

Mary Brown, Wroten's bride of three weeks, who is also in prison, sobbed out her love for Wroten and a nounced her determination to stick by him to the end.

"I've known little Mary for 15 years," Wroten said. "When I was just a youngster she lived on a farm adjoining ours. I loved her better than anything in the world."

"Tuesday, July 7, I guess it was, my wife asked me to take her swimming to Calum creek. While we were driving along my wife turned and said to me:

"Wouldn't you rather Mary was with you?" I said, "Yes, I would."

"We got to the creek and put the children on a blanket. My wife did not have a swimming suit, but put on some overalls and a jumper."

"Then she got hysterical and came toward me and I hit her in the jaw with my fist, knocking her under the water. She came up, but I didn't make any attempt to pull her out."

"Then I called for help. I told neighbors that I had been swimming down around the bend of the creek and that when I came back I saw bubbles coming up on the water and knew my wife had been drowned. I didn't see Mary until 12 days later. Then we decided to run away and get married, which we did."

Where Can I Find Relief From Itching, Terrifying Eczema?

Question on Lips of Afflicted.

There is a harrassing discomfort caused by Eczema that almost becomes a torture. The itching is almost unbearable, and the skin seems on fire with the burning irritation. A cure from local applications of salves and ointments is impossible, because such treatment can only allay the pain temporarily. The disease can only be

reached by going deep down to its source, which is in the blood, the disease being caused by an infection which breaks out through the skin. That is why the most satisfactory treatment for all so-called skin diseases is S. S. S., which acts by cleansing the blood. Get a bottle to-day, and you will see results from the right treatment. THEATRES

INGOMAR THEATRE

The latest World release, "The Praise Agent," co-starring Arthur Ashley and Dorothy Green, at the Ingomar Theatre tonight, deals with the suffrage question.

The husband is a Senator and much opposed to "the cause," primarily on account of the havoc it has wrought in his household.

The wife is an ardent militant, whose hobby is making speeches from a soap box on street corners.

Their daughter, Nell, has taken sides with her mother.

The father determines that the wife and daughter shall give up suffrage, while the wife and daughter

are equally as determined that the husband shall be won over to the cause.

Can you imagine the innumerable comical situations that would arise from this plot?

Chapter 5 of the Great Gamble also will be shown.

GRAND THEATRE

Admirers of Jack Pickford and Louise Huff will gather in force at the Grand Theatre today when their latest Paramount picture, "Mile-A-Minute Kendall," will have its initial presentation in this city.

In this superb picturization of a famous stage success by Owen Davis, Jack Pickford has one of the finest roles in his career as cinema star and he makes the most of it.

The story is essentially dramatic, the situations being strong, but relieved by wholesome comedy.

Mr. Pickford's support in this picture is his sister Lottie, who is seen for the first time in a Paramount picture with her illustrious brother.

Also Antonio Moreno in "Perils of Thunder Mountain."

RICHMOND THEATRE

"Blue Jeans," the seven reel Metro production in which Viola Dana stars, and which will be shown tonight at the Richmond Theatre, is a regular country life story replete with all the characters familiar to the farm and to the small suburban village. It carries with it the atmosphere of David Harum with the quaint Hoosier speech immortalized

in the titles. The picture brings out the tones of the entire key—cheerful to the sublime.
